

capacity	16L
Product Size	335 *275* 600 (mm)
Work pressure	0.2-0.45MPA
Regulating range	0-0.45MPA
Charging time	5-6 hours
Packing rate	single package
Adjustable length of boom	240mm
Applicable field	Agriculture\Forestry\Disinfection
Custom processing	Yes
Brand	seesa
Net Weight	8.6 (kg)
Pump form	12V diaphragm pump
Matching battery	Lead-acid battery Lithium battery
continue working	4-5 hours
Carton size	375*310*580
Hose length	2M

FEATURES:

Light effort, carrying comfort, ease to use, solid structure. Pump is fast, easy and long life.

APPLICABLE SCOPE:

Well suit for flower, potted plant, farmland, tea garden, fruit tree, vegetable greenhouse spraying and watering. Also suit for hospital, hotel, poultry house's pest control and sanitation prevention.
